PETER PAN & BOW
COLLAR PATTERN
**Description:** A Style Extender is a free mini pattern designed for use with a specific Sew Chic Pattern, adding creativity and styling options to the original pattern. Included here are the pattern pieces for two alternate flat collar options to make the Portrait Blouse a 3 view pattern. Collar A is often called a "Peter Pan" with points and a built-in spread to make it easy to add ribbons, bows, or jewelry features to the center front neckline. Collar B has extended ties for a self-tie bow at center front. Both collars are 2 3/8" finished width.

**Fabrics:** See Portrait Blouse fabric suggestions.

**Notions:** See Portrait Blouse notion suggestions.
