

1. With right sides together, pin pocket to skirt front and back at side seams.

2. Sew pocket to side seam using 3/8" seam allowance. Press seam and pocket to outside.

3. With pockets extended, pin skirt front to back at side seams having pocket edges even. Using 5/8" seam allowance, sew skirts front to back 2" from waist.

4. At 5/8" sew around pockets pivoting at skirt seam, continue stitching down to hem.
