CROCHETED GLOVE WITH TRIANGULAR FLARE CUFF—NO. 229

Materials: J. & P. Coats Pearl Cotton, Size 8, 5 balls of main color (referred to as color A) and 2 balls of contrasting color (referred to as color B). Milward's steel crochet hook No. 6.

Palm. Begin with Color A, ch 86 (to measure about $8\frac{1}{4}$ inches) and join with sl st to form ring. **1st rnd:** * Ch 4, skip 2 sts of foundation ch, 1 s c in next st, and repeat from * around (27 loops in all). **2nd to 15th rnds incl:** * Ch 4, 1 s c in next loop, and repeat from * around. **16th rnd:** Ch 12, skip 7 loops (for thumb opening), 1 s c in 8th loop, * ch 4, 1 s c in next loop, and repeat from * around. **17th rnd:** Over ch-12 of previous rnd, * skip 2 ch, 1 s c in next ch, ch 4, and repeat from * until 4 s c with ch-4 between are made over the ch-12. Then ** ch 4, 1 s c in next loop, and repeat from ** around. **18th to 29th rnds incl:** Same as 2nd rnd.

Fingers. **Forefinger** should be directly above thumb opening. Work across 4 loops from outside edge of finger, ch 5, cross over to back of glove and make 1 s c in 4th loop from outside edge, then * ch 4, 1 s c in next loop, and repeat from * until there are about 16 rnds. Try on, and if too short, continue working till length desired. It is better not to have the fingers too long. Draw top together and finish off. **Middle Finger.** Attach thread to bottom of forefinger at palm side of glove and work across 3 loops, ch 5, cross over to back of glove and make 1 s c in 3rd loop from forefinger. Work across these 3 loops, then over loop between fingers and continue around until there are about 18 rnds. Finish off as before. **Ring Finger.** Attach thread to bottom of middle finger at palm side, and work as for middle finger until there are about 15 rnds. Finish off as before. **Little Finger.** Attach thread and work around until there are about 13 rnds. Finish off as before. **Thumb.** Attach thread and work around thumb opening until there are about 14 rnds (11 loops in a rnd). Finish off as before.

Cuff. Use thread double for entire cuff. **1st rnd:** Attach color B, at wrist part of glove and make 2 s c in each sp on the foundation ch (58 s c in rnd). **2nd to 5th rnds incl:** 1 s c in each s c of previous rnd, working around. Then break off. **6th rnd:** Attach color A. * Ch 3, skip 1 s c of previous rnd, 1 s c in next s c, and repeat from * around cuff (29 ch-3 loops in rnd). **7th to 10th rnds incl:** * Ch 3, 1 s c in next loop, and repeat from * around. Break off. **11th rnd:** Attach color B, * 2 s c in next loop, 1 s c in next s c, 2 s c in next loop, skip next s c, and repeat from * around (59 s c in rnd). **12th to 15th rnds incl:** 1 s c in each s c of previous rnd. **16th rnd:** Attach color A and work as for 6th rnd, making 59 ch-3 loops in rnd. **17th to 21st rnds incl:** Same as 7th rnd. Break off. **22nd rnd:** Attach color B and

work as for 11th rnd (95 s c in rnd). **23rd to 27th rnds incl:** Same as 12th rnd, but do not break off. **28th row:** Ch 4 (to count as 1 d c and ch 1), skip 1 s c, 1 d c in next s c, * ch 1, skip 1 s c, 1 d c in next s c, and repeat from * until there are 6 sps (6 d c), turn. **29th row:** 1 s c over last ch-1, ch 4 (to count as 1 d c and ch-1) * skip next d c of previous row, 1 d c over next ch-1, ch 1, and repeat from * until there are 5 sps (5 d c). Turn. **30th to 33rd rows incl:** Same as 29th row, only decrease 1 sp on each row, thus having 1 sp left on 33rd row. Break off. This completes one point. Make 6 more points same as one just finished by repeating 28th to 33rd rows incl, but leaving 1 s c between two points. **34th row:** Attach color A to top of last d c of 1st row of any point (28th row), make 1 s c in last sp, then 1 d c in same sp as last d c of point, 1 d c in next s c, then 1 d c in next s c (which is the same place as the 1st d c of the next point). Sl st into top of this row of the 2nd point, then make 1 s c into 1st sp, ch 3, and sl st to top of next row. **35th to 39th rows incl:** * Turn, make 1 d c in 1st sp of previous row, 1 d c in each d c of color A, 1 d c in last sp of previous row of 1st point, sl st to top of same row of 1st point, make 1 s c in sp of same row, then ch 3 and sl st to top of next row. Repeat from *, thus filling in the spaces between the points. When color A is even with the top of the points (row 33), break off and fill in the next 6 sps. Do not break off when the last space is filled. **40th rnd:** Ch 3, 1 d c in each st to end of rnd. Join with sl st. **41st rnd:** * 1 s c in each of next 4 d c, ch 3 (for a p), and repeat from * to end of rnd. Break off. Follow same directions for making other glove, but reverse the position of the fingers.

Chain (ch). Make loop in thread, insert hook in loop, and draw main length of thread through. Continue to draw thread through each new loop formed until length desired.

Single Crochet (s c). Insert hook under 2 loops of st, draw thread through st (2 loops on hook), thread over hook, draw through the 2 loops.

Half Double Crochet (half d c). Make like d c until there are 3 loops on hook; then thread over and draw through all 3 loops.

Double Crochet (d c). Thread over hook, insert hook in st, and draw thread through (3 loops on hook), thread over hook, draw through 2 loops, thread over, and draw through the 2 remaining loops.

Treble (tr). Thread over hook twice, insert hook in st and draw thread through st (4 loops on hook), thread over, draw through 2 loops, thread over, draw through 2 loops, thread over, draw through remaining 2 loops. For a **Double Treble (d tr)**, thread over hook 3 times; and for a **Triple Treble (tr tr)**, thread over 4 times, taking off 2 loops at a time as in the tr.

Slip Stitch (sl st). Insert hook through st, catch thread, and, with one motion, draw through both the st and the 1 loop on hook. The sl st is used for joining, or when an invisible st is required.

Space (sp). Make 1 d c in st, ch 2, skip 2 sts, 1 d c in next st, and continue for the required length. **Filet Mesh** is a succession of rows of sps, each d c being worked over a d c of preceding row, with ch-5 at the end of each row to turn.

Block (bl). There are 4 d c in 1 bl. Bl and sp are used in **Filet Crochet**.

Picot (p). Make a ch of 3, 4, or 5 sts, according to length of p desired, and s c in the foundation, or in the 1st st of ch.

Cross Stitch. Thread over twice, insert hook in st and draw thread through as for a tr (4 loops on hook), thread over, and draw through 2 loops, thread over, skip 2 sts, insert hook in next st, draw thread through (5 loops on hook), thread over and draw off 2 loops at a time 4 times, ch 2, 1 d c in the center point of the cross, thus completing the cross.

Cluster. Make 3 or more tr in the same st, always holding the last loop of each tr on the hook; then, thread over hook and take off all remaining loops. A tight ch st should then be made to fasten the cluster.

Knot Stitch. Draw loop on hook out $\frac{1}{4}$ inch, ch 1 through this loop, 1 s c over the single loop at the left side of st just made. Work another similar knot st, skip 4 sts of preceding row, 1 s c in next. Repeat from the beginning to end of row. Make 2 $\frac{3}{8}$ -inch knot sts to turn, 1 s c over double loop at right of 1st center knot of preceding row, 1 s c over double loop at left of same knot, 2 knot sts and repeat.
